## 2019 Annual Conference

### 'Enriching Geography Knowledge & Understandings'

Friday, 16<sup>th</sup> and Saturday, 17<sup>th</sup> August

Venue: **Pagoda Resort and Spa**

112 Melville Parade Como

In our endeavour to professionally develop and support classroom teachers with the Western Australian Geography Curriculum (focus on HaSS Geography Years 7–10 & Years 11–12 Geography), as well as provide additional geographical content and resources, GAWA invites all secondary teachers of geography to attend this year's conference.

Following on last year's highly successful event, this year GAWA has united with Curtin University and the University of WA to bring together a group of accomplished and outstanding keynote Geography academics, experienced workshop facilitators and relevant classroom connected fieldwork activities. Furthermore, the School Curriculum and Standards Authority will present a workshop with up-to-date information on the Years 7 to 10 HaSS Curriculum and Years 11 and 12 Geography Syllabuses.

**Geographical concepts, content & resources with a focus on the Western Australian Geography Curriculum will be delivered on both Friday 16<sup>th</sup> August & Saturday 17<sup>th</sup> August.**

Register early to avoid disappointment with fieldwork & workshop choices as **2018 was a sell-out!**

This is a GAWA subsidised event for its Members, Membership applications are available on the GAWA website: [www.gawa.asn.au](http://www.gawa.asn.au) or by contacting the GAWA Office on 9388 2656.
