

Name: _____

What is Geography?

Geographers use the acronym of SPICESS to remember important geographical concepts. Learning how to use these terms effectively will help you to include the correct vocabulary into your responses.

Whilst reading the prezi at <https://prezi.com/f7ztbdu0ihga/spicess-7-key-concepts-of-geography/> or watching the video at <https://www.youtube.com/watch?v=uetK1CCNwF4> fill in the below mind map. Include images and words and include examples from a range of scales, local (your school) to global.

Name: _____

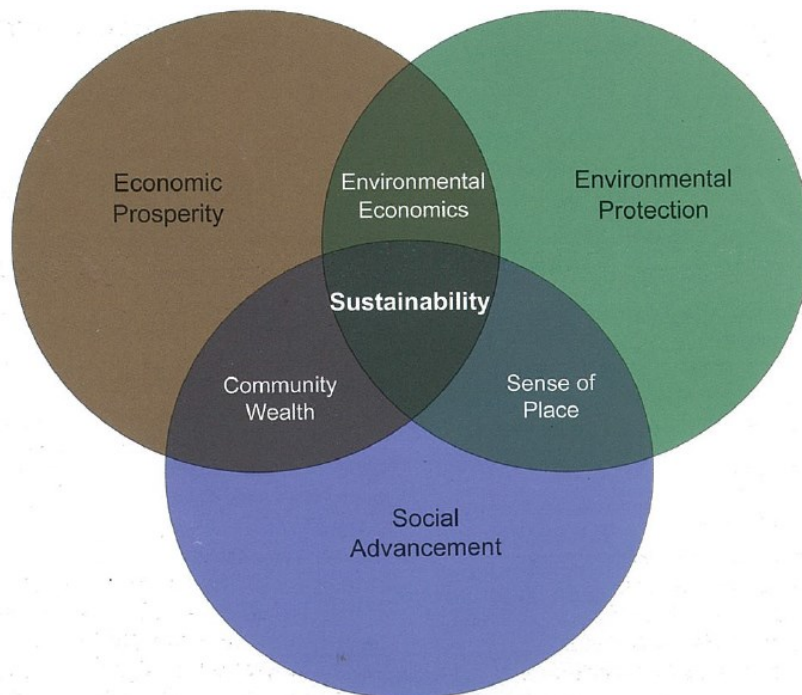

What is Sustainability?

1) List your ideas:

-
-
-
-

2) Feedback to the class and write your own definition of sustainability:
