

Year 8 Geography Changing Nations

Research Task

Your task is to investigate the history of international and internal migration within your family. This may involve interviewing your relatives to collect information.

Going back at least three generations (to your great grandparents), **create a poster** which displays the following:

- Where members of your family have moved from (this could be international, interstate or within WA).
- Briefly explain the reason for their migration (e.g. employment, educational opportunities, lifestyle, family ties, escaping conflict etc.)
- Include a timeline and map/s of these movements.

Make your poster eye-catching and informative. It is due to your teacher on _____.
